To the Voters of El Dorado County,

I, K. E. Coleman, proudly support and endorse Sean M. Coppola in his campaign for Treasurer-Tax Collector.

It has been my great honor to serve as your Treasurer-Tax Collector for the past seven years. Throughout that time, my focus was always on the wellbeing, stability, and long-term financial health of our county. That same commitment guided my decision to bring Sean into the office several years ago. Since then, I have worked closely with him to ensure a strong and seamless transition for the future of this department.

Sean's experience, knowledge, leadership, and dedication to public service make him exceptionally well-prepared to lead the Treasurer-Tax Collector's Office. He has fully immersed himself in the profession, building strong relationships with Treasurer-Tax Collectors across the state and fostering excellent working partnerships with our own elected officials and department heads.

Before joining the county, Sean served as a Controller, where he managed a team of more than 200 employees, created and led a treasury department, and oversaw the company's entire accounting operation. Combined with the hands-on experience he has gained here, these are precisely the skills needed to succeed in this role.

For the continued strength, stability, and integrity of the office, it is in the best interest of El Dorado County to elect Sean M. Coppola as Treasurer-Tax Collector.

Sincerely,

K. E. Coleman
